

## **DIGIVERSITY LEARNING PROGRAMME**

**ORGANISED BY EY GDS AND HOSTED BY THE PLACEMENT CELL**

**9<sup>TH</sup> - 13<sup>TH</sup> DECEMBER, 2024**

**THE PROGRAMME REPORT**

---

### **Day – 1 Digiversity Learning Program**

*Venue – AV Hall*

*Topic – Fundamentals of Excel*

*Speakers – Mr. Atanu Sinha Mahapatra, Mr. Sahil Kapoor, Mr. Ajay Surve, Mr. Jyothi Prakash A and Mr. Yeshwanth*

On the 9th of December 2024, the Placement Cell proudly hosted the commencement of the EY Digiversity Learning Program, led by EY GDS, for all second-year students of the graduating batch of 2026. This workshop, conducted for the first time in the city of Pune, starting with Symbiosis College Of Arts And Commerce, aimed to upskill students in key digital tools such as Excel VBA, Power BI, and Robotic Process Automation (RPA), preparing them for the rapidly evolving professional landscape. Combining hands-on learning, leadership talks, and case study challenges, the initiative seeks to bridge the gap between academics and industry, equipping participants with the skills needed to excel in their careers.

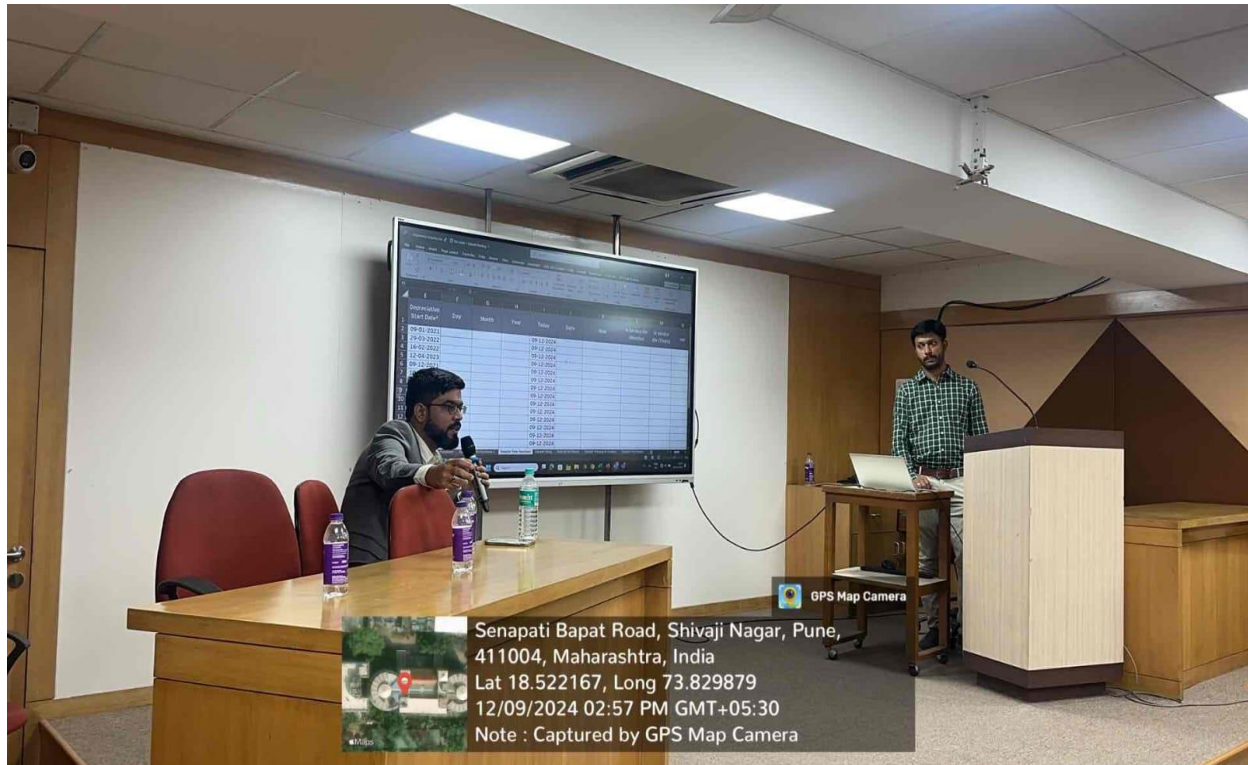

The workshop was conducted offline at the college. The keynote speakers for the day were Mr. Atanu Sinha Mahapatra, Mr. Sahil Kapoor, Mr. Ajay Surve, Mr. Jyothi Prakash A and Mr. Yeshwanth. The session began with Mr. Atanu, who introduced the Digiversity Learning Program aimed at upskilling students in rapidly evolving technologies. He highlighted the growing importance of digital skills and encouraged students to integrate these learnings. Principal Dr. Tessy Thadathil emphasized the importance of professionalism and encouraged students to make the most of this opportunity to enhance their placement readiness. Dr. Nilesh Waghmare, Placement Cell Head, spoke about the valuable collaboration between EY and the college, recognizing the initiative as a key step in preparing students for the workforce. Chief Guests Mr. Atanu and Mr. Sahil also addressed the attendees, underscoring the importance of innovation, teamwork, and a competitive mindset in leveraging the benefits of the program.

Further, the instructors, Mr. Jyothi and Mr. Yashwanth, carried the session forward. Students were introduced to a range of essential digital tools and techniques used to analyze and manage data effectively. The session began with an interactive discussion, which helped set a relaxed atmosphere before diving into the core topics. The facilitators introduced fundamental functions in Excel, such as Sum, Count, Min, Max, Average, and Median, which are essential for performing basic data analysis. Additionally, they covered more advanced functions like If, Vlookup, and Pivot Tables, which are essential for managing larger datasets and performing more complex analyses. The session also covered data massaging, a critical skill for cleaning and preparing data before analysis. In between, Mr. Atanu also covered various other topics, such as the evolution of industrial revolutions, from the steam engine to the current era of artificial intelligence and digital transformation. This was used to illustrate how technological advancements continue to reshape industries and the way businesses operate. He continuously interacted with students, answered their questions, and made the session lively.

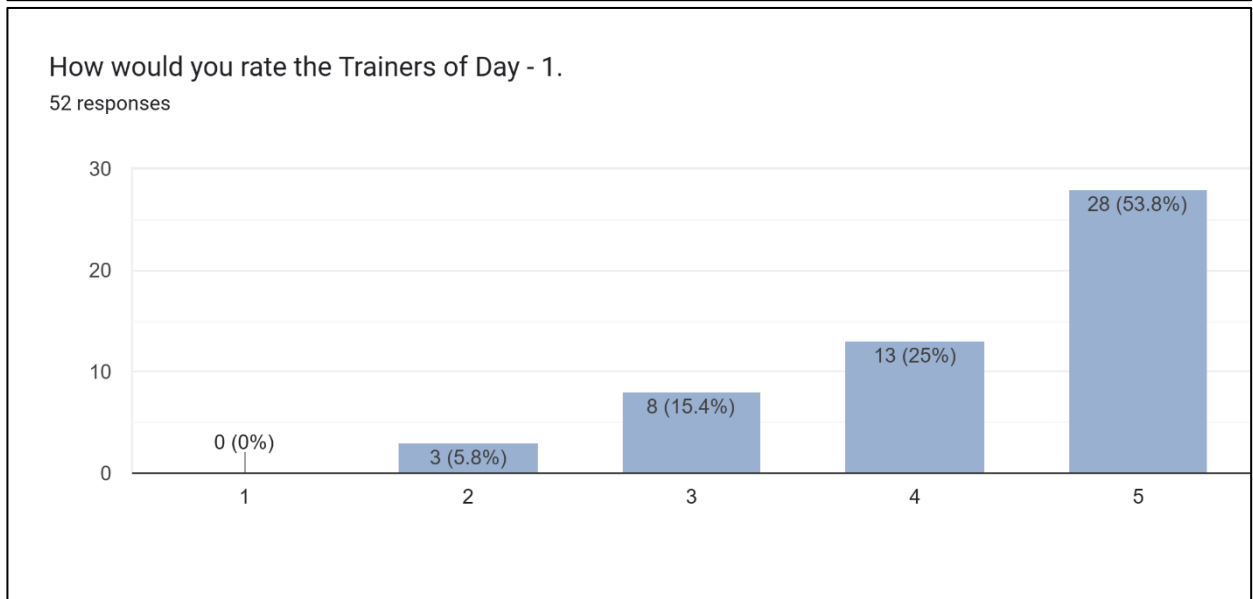

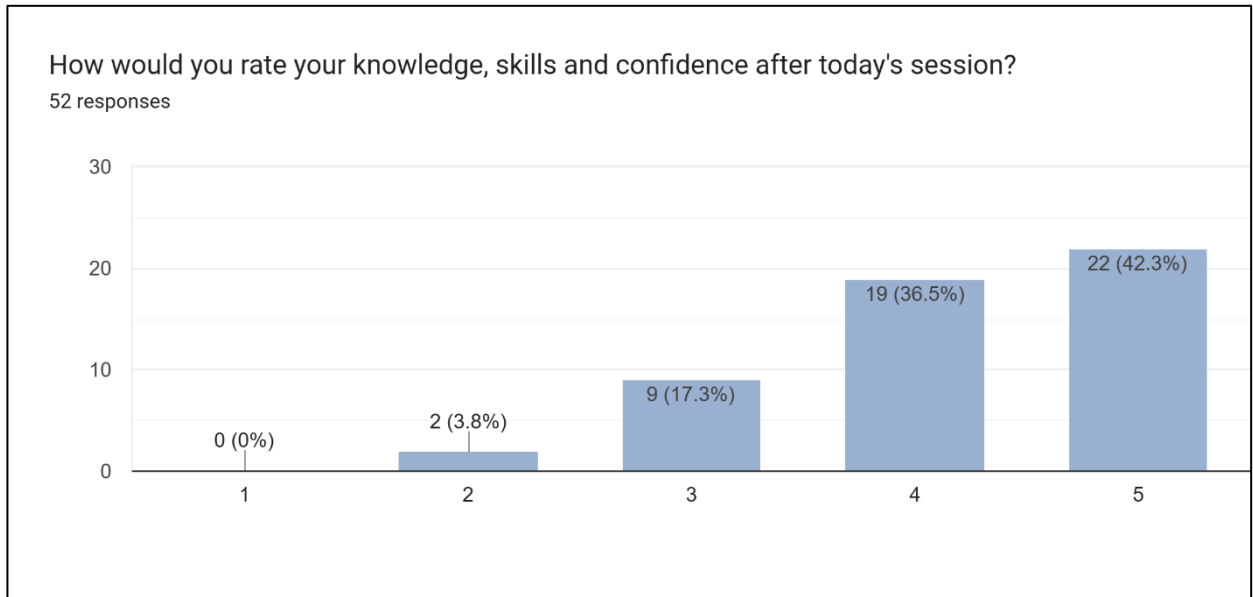

### *Photo Records of Day - 1*

**Feedback Analysis Day 1:**

Around 54% percent students gave an excellent rating of 5 to the trainers of day 1.

## **Day – 2 Digiversity Learning Program**

*Venue – AV Hall*

*Topic – VBA (Visual Basic for Applications) and RPA (Robotic Process Automation)*

*Speakers – Mr. Atanu Sinha Mahapatra, Mr. Jyothy Prakash A, Mr. Yashwanth, Gowtham Alluri, Vikrant H S.*

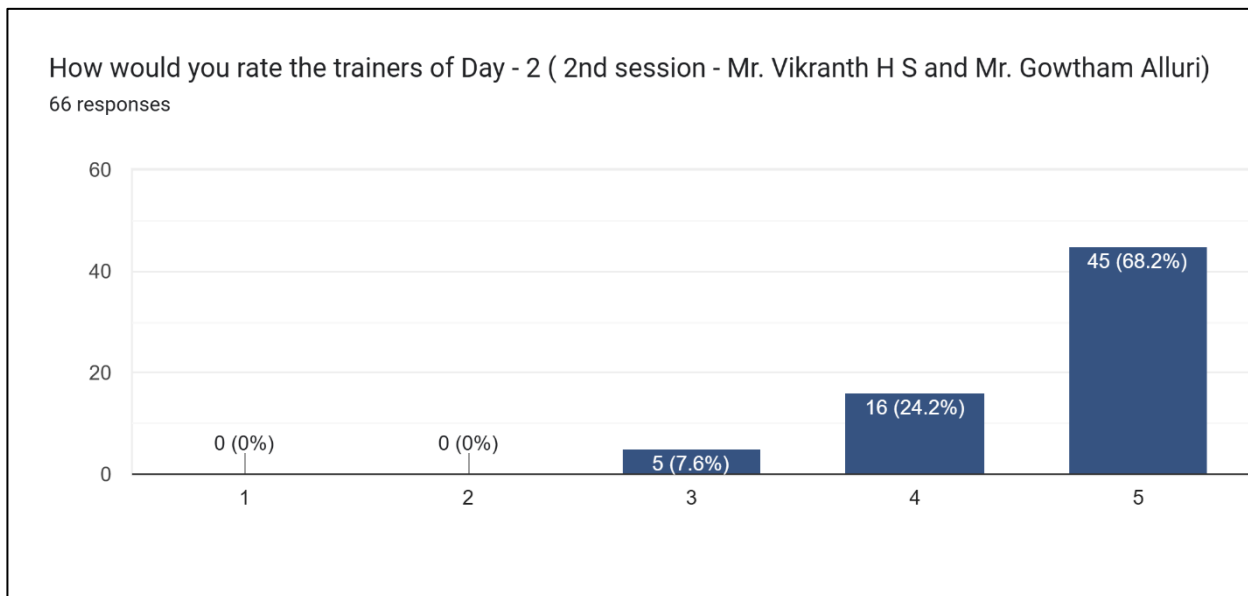

Day – 2 of the Digiversity Learning Program focused on automation and advanced data management techniques, VBA and RPA. The session was led by Atanu Sinha Mahapatra, Jyothy Prakash A, Yashwanth, Gowtham Alluri, Vikrant H S. The trainers introduced the basics of VBA, demonstrating how to automate repetitive tasks in Excel by writing simple macros. Students were taught how to record, edit, and execute macros to streamline their workflow effectively. In the second half, the session transitioned to RPA, where students learned about its significance in automating business processes. They were introduced to popular RPA tools and their practical applications. As a hands-on exercise, students collaborated to design and create a simple bot capable of automating a repetitive task. This activity not only helped them understand the practical implementation of RPA but also encouraged teamwork and creativity. By the end of the day, students gained valuable insights into leveraging automation tools to enhance efficiency and productivity.

### *Photo Records of Day - 2*

### Feedback Analysis:

Around 68% students gave the trainers of day 2 an impressive rating of 5.

### Day – 3 Digiversity Learning Program

Venue – AV Hall

Topic – Power BI

*Speakers – Mr. Atanu Sinha Mahapatra, Mr. Dinesh Kanna, and Mr. Bapatla Sanjeeva Rao*

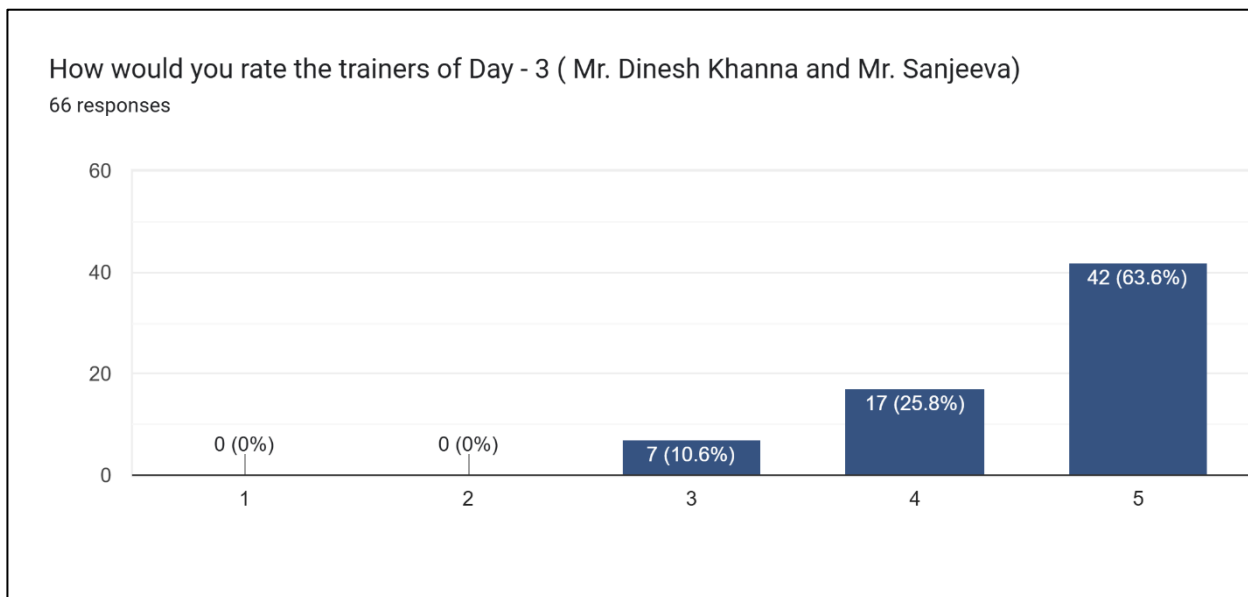

Day - 3 of the Digiversity Learning Program was centered to Power BI, a powerful tool for data analytics and visualization. The session was expertly conducted by Atanu Sinha Mahapatra, Mr. Dinesh Kanna, and Mr. Bapatla Sanjeeva Rao, who brought their extensive knowledge and experience to guide the students through the fundamentals of data cleaning, modeling, and visualization. The workshop emphasized a hands-on, practical approach, enabling participants to work directly with raw datasets. Students learned to clean and organize data effectively, create logical data models, and build interactive dashboards to uncover meaningful insights. By learning Power BI, they explored how to convert complex data into visually appealing and easy-to-understand representations, which are critical for decision-making in professional settings. The workshop was highly engaging and further strengthened the students' technical skills.

*Photo Records of Day – 3*

**Feedback Analysis:**

Around 64% students gave the day 3 trainers an excellent rating of 5.

The Day - 4 of the Digiversity Learning Program began with Dr. Nilesh Waghmare, Placement Cell Head, addressed the gathering, where he highlighted the challenges posed by the new education policy and discussed the benefits of the EY Diversity Learning Program, which has successfully trained over 600 students in essential digital skills. Following this, Principal Dr. Tessy Thadathil, expressed her appreciation and welcomed the guest speaker, and emphasized the importance of the opportunities provided through the program.

Further, the keynote speaker, Ms. Divya Guptal Namba, shared her personal journey from being a student to securing her first placement through college, expressing pride in representing EY's mission to make the world a better place. She acknowledged the challenges of adapting to the new education policy but praised the relevance of the students' education to industry needs. Divya emphasized the revolutionary impact of AI and its potential to transform industries.

Following this, the session became even more special with alumni returning to campus, sharing their experiences, and expressing their joy at reconnecting with college. In the second half, the EY GDS team offered hands-on guidance through resume reviews and mock interviews. Students received valuable, personalized feedback, helping them polish their profiles and gain confidence for real-world interviews. The session was highly appreciated by all.
