Item No. 6 [ACM/2020-2021/1/6]

## **To approve the revised examination pattern w.e.f. 2020-2021.**

Dr. Yogini Chiplunkar, Controller of Examination put the proposal to approve the revised examination pattern w.e.f. 2020-2021. She explained that with an objective of doing continuous assessment and evaluation of the students and as recommended by UGC, college has introduced 70+30 Pattern of evaluation for First Year B.A., B.Com. students i.e. 70 internal components and 30 externals. This decision was taken in Examination Committee meeting held on 13.8.2020.

- There shall be total of 100 marks evaluation per subject/course during each semester.
- The total of 100 marks would consist of 3 components as given below:

(i) Component 1 – Internal for 50 marks This would comprise of a combination of minimum 2 or more assignments/activities/book reviews/quiz/competitions/article reviews, presentations etc.

(ii) Component 2 - Internal for 20 marks. This would comprise of a Mid semester examination

(iii) Component 3 – Semester End examination for 30 marks

The College has also made separate passing in each of these components mandatory with minimum 40 marks in each component. Accordingly, a student will have to score: a minimum of 20 Marks out of 50 in internal assessment, a minimum of 8 marks out of 20 from Mid Semester Examination a minimum of 12 marks out of 30 in semester end examination and a total of 40 marks out of 100 in order to pass in each subject. If the student does not pass in any one component, he will be considered as 'fail' and he will be treated as backlog student for that particular component.

## **Transnational Course between Hildesheim University and Symbiosis College of Arts and Commerce (SCAC)**

Dr. Tessy Thadathil briefed on Transnational Course between Hildesheim University and Symbiosis College of Arts and Commerce (SCAC).

A joint online learning endeavour was carried out in the winter term of 2019-2020, 2020-21 by Symbiosis College of Arts & Commerce, Pune and the Institute of Information Science and Language Technology at the University of Hildesheim, Germany. The purpose of the learning scenario was to foster intercultural learning and information literacy. Students individually had to learn about foundations of information literacy and basics of specific topics namely

To do this, students had to search, read, summarize and reflect on the state-of-the-art literature and use cases. After accomplishing these basics, mixed groups, consisting of Indian and German students combined their knowledge on each of the specific topics and collaborated to create an artefact that others could use to improve their information literacy. After accomplishing that, students provided feedback to others on their group work. At the end of the learning scenario, students reflected on their learning via a student conference.

It is proposed to award two value addition credits in recognition of the research work carried out by the students.

### **RESOLUTION**

[No.: ACM/2020-2021/1/4]

UNANIMOUSLY RESOLVED THAT the students who will complete the **Transnational Course between Hildesheim University and Symbiosis College of Arts and Commerce (SCAC)** will be awarded two extra value addition credits in recognition of the course w.e.f. 2020-2021.
