EY PROJECT MANAGEMENT WORKSHOP

ORGANISED BY: EY GDS

**HOSTED BY : THE PLACEMENT CELL AND CENTRE FOR
INNOVATION AND ENTREPRENEURSHIP**

4th - 6th MARCH, 2025

THE PROGRAMME REPORT

Day 1- EY GDS Project Management Workshop

Venue – AV Hall

Topic – Introduction to Project Management

Speakers – Mr. Ajay Surve, Mr Amit Ranjan and Ms. Kanika Parmar

On March 4th, 2025, the Placement Cell, in collaboration with the Centre for Innovation and Entrepreneurship (CIE), successfully hosted the EY Project Management Workshop, an initiative led by EY GDS. This three-day (4th, 5th and 6th of March), offline workshop was conducted on the campus and targeted second-year students from the graduating batch of 2026. The workshop marked a significant milestone as it was the first collaborative event between two prominent entities at Symbiosis College of Arts and Commerce: The Placement Cell and Centre for Innovation and Entrepreneurship (CIE). This initiative aimed to upskill students in Project Management while fostering an entrepreneurial mindset to prepare them for a dynamic professional landscape. The workshop combined hands-on learning, leadership talks, and case study challenges, bridging academic knowledge with industry practices. Keynote speakers Mr. Ajay Surve, Mr. Amit Ranjan, and Ms. Kanika Parmar shared their expertise on project management and leadership.

The session commenced with an address by Dr. Nilesh Waghmare, Head of the Placement Cell, who highlighted the inaugural collaboration between the Placement Cell and the Centre for Innovation and Entrepreneurship (CIE). He expressed his gratitude towards the EY GDS team and acknowledged the pivotal role played by Mr. Ajay Surve in curating the Project Management Workshop. Following this, Dr. Sharayu Bhakare, Head of the Centre for Innovation and Entrepreneurship (CIE), delivered an insightful address emphasizing the importance of fostering

an entrepreneurial spirit, along with the importance of being proactive, creative, and innovative. She also extended her appreciation to the EY GDS team and Dr. Nilesh Waghmare for creating such a valuable opportunity for the students. The event was formally inaugurated by Principal Dr. Tessy Thadathil, who expressed her excitement in supporting this initiative. She encouraged students to fully leverage this workshop to enhance their skills and improve their placement readiness, thereby making the most of this unique opportunity for personal and professional growth.

The workshop began with an engaging discussion led by Mr. Amit, who introduced the concept of Project Management, emphasizing its importance and relevance to the students. He covered the fundamentals of Project Management, explaining its key benefits, and clarified the distinctions between a Program, Project, and Portfolio, as well as the concept of the Triple Constraint. Throughout the session, Mr. Amit and Mr. Ajay, shared valuable insights from their experience, enriching the discussion and making it more interactive.

Further, Ms. Kanika Parmar then presented a video on Project Management, followed by an in-depth explanation of the five critical phases: Initiation, Planning, Execution, Monitoring & Controlling, and Closing. Students were introduced to practical tools such as creating a Project Charter, Critical Path, Work Breakdown Structure, Gantt Chart, and Project Plan. The session also covered the RACI (Responsible, Accountable, Consulted, and Informed) Model, with Mr. Ajay Surve providing further insights into the Execution phase, sharing valuable lessons from his professional experiences. The session was highly interactive, featuring regular Q&A rounds and insightful contributions from all the three mentors.

To conclude the session, students were divided into teams and assigned the task of creating a Project Plan for a hypothetical case, along with preparing a Gantt Chart for the same. This exercise provided students with hands-on experience, and they were encouraged to consult the experts for any guidance or feedback on their work.

Day 2- EY GDS Project Management Workshop

Venue – AV Hall

Topic – Case Study distribution

Speakers – Mr. Ajay Surve, Mr Amit Ranjan and Ms. Kanika Parmar

Day 2 of the EY GDS Project Management Workshop commenced at 9:30 AM with an insightful session led by Mr. Amit Ranjan, Mr. Ajay Surve, and Ms. Kanika Parmar from EY GDS. They revisited the concept of critical paths, building on the discussions from Day 1, providing students with a deeper understanding of this essential project management element.

Following this, the workshop delved into the concepts of monitoring and control in project management. Students were introduced to agentive AI, learning how it can enhance project efficiency, and explored the significance of a RAID log for tracking risks, assumptions, issues, and dependencies. Additionally, students gained practical knowledge about crafting a project status report and the critical elements involved in the closing phase of a project.

An interactive segment followed, where students outlined a personal project they aimed to complete within three months. This exercise encouraged them to apply the concepts learned, fostering a hands-on understanding of project planning.

The day progressed with students being divided into nine groups, each assigned a unique case study. They were tasked with developing a comprehensive project plan, including a project charter, scope definition, detailed Work Breakdown Structure (WBS), and a Gantt chart. These deliverables were to be presented to the stakeholders — the judges themselves — on the final day of the workshop.

The day concluded around 5:30 PM, with all groups diligently working on their projects. The three speakers remained available throughout the day, providing valuable guidance and resolving queries as students collaborated to refine their project deliverables. This collaborative, hands-on approach enriched the students' learning experience, bridging theoretical knowledge with real-world application.

Day 3 - EY GDS Project Management Workshop

Venue – Vishwabhavan, AV Hall

Topic – Leadership Talk and Q&A Session, Final Assessment and Presentation

Speakers –Ms. Heena Bhambhlani, Mr. Ajay Surve, Mr Amit Ranjan ,Ms. Kanika Parmar, Mr. Ganesh Shinde, and Mr. Akshay Lakhan

Day 3 began with an inspiring Leadership Talk held at the Vishwabhavan, open to all students of Symbiosis College of Arts and Commerce. The session saw an impressive turnout, with 254 registered participants eager to gain insights from industry experts. The speakers for the event included Mr. Ajay Surve, Mr. Amit Ranjan, and Ms. Heena Bhambhlani, while other distinguished guests from EY GDS — Ms. Kanika Parmar, Mr. Ganesh Shinde, and Mr. Akshay Lakhan — added to the session's significance.

The speakers delved into various topics that helped students understand diverse career paths, strategies to navigate their professional journeys, and the importance of self-discovery in making life decisions. They shared personal experiences, industry trends, and practical advice, making the session not just informative but also deeply motivational. Students engaged actively, asking questions and seeking guidance, making the session a rich exchange of knowledge and perspectives.

After the session concluded at 12:00 PM, the EY team transitioned to the AV hall to begin judging the presentations prepared by the participants on the cases assigned during Day 2. Each group presented their project plan, including the charter, scope, WBS, and Gantt chart, showcasing their understanding and application of project management principles. The presentations were met with detailed feedback, with judges highlighting strengths and offering constructive suggestions for improvement. This feedback loop made the experience even more valuable, as students walked away with not only practical project management skills but also insights on refining their work.

The day wrapped up after the final presentation, marking the end of the in-person workshop sessions. However, the formal conclusion of the workshop was scheduled for Day 4, an online session that would provide closing remarks and reflections on the entire learning experience.
