

No.	<u>ACCA FAQs</u>
1	What is ACCA?
	ACCA (Association of Chartered Certified Accountants) is a UK based globally recognized professional qualification for a career in finance, accounting and management
2	How can one acquire an ACCA qualification in Symbiosis College of Arts and Commerce?
	The ACCA has partnered with Symbiosis College of Arts and Commerce, Pune, to offer its program. From 2018 onwards, the ACCA program is integrated with the regular B.Com program to offer a Degree in B.Com with specialization in Accounting and Finance.
3	What is the structure of the programme?
	<ul style="list-style-type: none"> • The student enrolled for the integrated Program of B. Com with specialization in Accounting and Finance (B. Com with ACCA) will be entitled to exemption from the first 6 papers of ACCA and subsequent to that for the remaining 7 papers he/she is required to appear for the exams of ACCA. This would earn him/her the ACCA Certification • For all of the above 13 papers the student is expected to clear the college exam in addition to the remaining BCOM subjects. This would earn him the BCOM degree with specialization in Accounting and Finance
4	What is the time line for ACCA along with B.Com.?

	<ul style="list-style-type: none"> • First 6 papers are exempted for students enrolled in this program • Ideally by the end of second year the student should complete 3 ACCA papers. Thus, completing the skilled papers. • By the end of third year of B. Com the student should have completed all the 4 strategic papers. • The above is the recommended timeline, but students have the liberty to choose their own pace. Some of the subjects are split over two semesters.
5	What is the admission procedure for an Indian student for ACCA?
	Indian students will have to apply for B. Com with ACCA, as per the merit list on the basis of the 12th standard board results.
6	What is the admission procedure for Foreigners and NRI Student for B.Com with ACCA at Symbiosis College of Arts & Commerce?
	The link for all admissions for Foreigners and NRI students will be available on our website after the declaration of all the board results Their admission will be processed by the Symbiosis Center for International Education. (Contact No: 020-25671905 Ext.311).
7	What are the fees for ACCA?
	<p>The fees include the cost of books (soft copy). From the 7th paper onwards for which the student has to give the ACCA exam, additional 30 hours of training by the International Skill Development Corporation (ISDC) faculty will be provided for each subject. This is also included in the fees.</p> <p>https://symbiosiscollege.edu.in/acca</p>
8	Details on Hostel availability
	The Symbiosis hostels are managed by the Symbiosis Society. On the recommendation of the college authorities and on the basis of the merit of the applicant the rooms are allotted subject to availability of seats. For further details, please contact Symbiosis Society's office.
9	What is the contact mail address?
	mail: contact@symbiosiscollege.edu.in

10	Is there any entrance exam for the course
	There is no entrance exam conducted for admission.
11	What has been the average cutoff for the past for this program ?
	The program was just introduced last year, so last year's cut off was 85%
12	Are there any internship programs provided by the campus for this course?
	No
13	How is the articleship (PER) completed for ACCA course?
	The details are on the ACCA website. It need not be done continuously. If you take up a job, the job profile that covers the given objectives in PER would add up to the 36 months. Summer internships for one or two months could also be a part of the PER. Please refer to ACCA website for further details.
14	Which Institute provides ACCA classes in the campus and how is it scheduled in the B.Com program?
	The Symbiosis College of Arts and Commerce has integrated the ACCA program, so 13 subjects are taught in our college. For the subjects which are not exempted by ACCA, the International Skill Development Corporation (ISDC) provides additional 30 hours training for these subjects. The timing for these additional hours would be after the regular B.com classes. This will ideally start in the second year of B. Com.
15	If any one doesn't pass a particular ACCA exam then how is it dealt in the program plan
	The student has to give the college exam, which if he/she clears would be getting him/her a B.Com degree. For the ACCA qualification, he has to simultaneously give the ACCA exam. There are 4 attempts in a year for ACCA exam. If for some reason the student has not cleared ACCA exam but cleared the college exam, he would be awarded the B. Com degree only.
16	What is the placement ratio for ACCA pass outs?
	On the ACCA website, there is a placement board, through which one comes to know about the vacancies and can also apply. College has a placement cell for all the students. There is no separate placement cell for ACCA

17	Is attendance compulsory?
	Yes, 75% Attendance is compulsory. For better results, it's advisable that the student be regular in the class and do all the assignments.
18	I am interested to enroll in ACCA programme from your college. I have already completed F1 & F3 and looking forward to complete remaining subject from here (at Pune). So, what are the admissions procedures and class schedule?
	We have an integrated program, i.e., B.com with ACCA, where 6 papers of ACCA are exempted, to the student who completes our graduation program. The students who are already pursuing the ACCA course will get the first 6 exemptions only upon paying the exemption fees to ACCA. Admission procedure will be based on merit. Classes will be conducted during regular B.Com hours.
19	Is it necessary to have Mathematics as a compulsory subject in 12 th Std. for admission to ACCA?
	It is not mandatory to have Mathematics as a compulsory subject for admission for the B. Com with ACCA course.
