

Placement Cell Report 2023-24

Placements is one the USPs of our college, and we have an active and vibrant Placement Cell providing job and internship opportunities to interested Undergraduate and Post-graduate students.

The Placement Cell actively focuses on preparing the students for various internship and campus placement drives and supporting them in the best way possible, including conducting various workshops like the Corporate Readiness Workshop, the Pre-Placement Workshop, and more, to equip the students with all the skills they need to launch their professional careers.

Under the constant support of Principal Hrishikesh Soman and Vice-Principal Dr. Tessy Thadathil, the able leadership of Dr. Nilesh Waghmare, and the unwavering support of student coordinators Grace Maria Giby, Jasmine Kaur, Muskan Kanodia, Sagnik Karmakar, and Shouray Modi, the Placement Cell offers comprehensive guidance and training to students throughout the year.

The students go through rigorous training sessions to prepare their resumes, and participate in mock aptitude tests, group discussions and personal interviews. Not only do we train them but we also provide one-on-one consultations if the students need help with any aspect of the placement process or general career guidance. Focussing on building a portfolio of the students right from the first year of their graduation, the Placement Cell Team works tirelessly behind the scenes to ensure the smooth functioning of recruitment drives, aligning its efforts with the College's vision of empowering students to meet the dynamic demands of the corporate world.

The SCAC Placement Cell is proud to announce its exceptional achievement of having successfully placed 235 students in the Academic Year 2023-24 till June 30, 2024. The recruitment drives for the graduating batch of 2024 commenced as early as mid-July, and continued throughout the year.

We were privileged to have most companies join us on campus for physical interviews, generating a positive response. As the Placement Cell, we owe the success of the procedure throughout the year to the relentless co-operation of the coordinators, faculty, HRs, and students.

The Placement Cell Team takes immense pride in the success of its efforts towards enabling students to achieve their career aspirations. The Academic Year 2023-24 witnessed a remarkable rise in the number of companies showing interest in hiring from our esteemed institution. Over **25** companies exhibited their interest, out of which **18** actively recruited from our campus. This number also included **5** new organizations like NSEG, India First Life Insurance, ACA Global, Promobi Technologies, Asian Paints, and more, who entrusted our students with their job requirements. The Placement Cell aims to establish enduring relationships with our current and new associates and eagerly anticipates their presence on our campus in the future.

The companies that visited our campus during the year were Deloitte USI, EY India, EY GDS,

D.E Shaw India, BNY Mellon (Bank of New York Mellon), TresVista Financial Services, Barclays, Deloitte India, GOMO Group, Deutsche Bank, KPMG India, Alliance Bernstein (AB), British Petroleum (BP), Ditto Insurance, NSEG, India First Life Insurance, Promobi Technologies, and many more. The Placement Cell is absolutely dedicated to ensure that students get the best possible opportunities.

The procedure for selection included receiving the Job Description, Registration of Students, Pre-Placement Talk, Aptitude Test, Group Discussions, Rounds of Interviews, the Final Selection of Students, and Acceptance of Offer Letters.

Internship Support:

Additionally, the Placement Cell also coordinates with companies to provide internship opportunities to students for their holistic development.

This year, the Placement Cell saw a number of Internships offered to the students of Second and First Year. A few big names like D.E Shaw India, ACA Global, and Deloitte USI (through the GSM Maverick programme) came on campus and selected students for internships. D.E Shaw India also provided opportunities to first year female students through its FinSpire Fellowship programme.

The Deloitte Graduate Student Maverick (GSM) program is a prestigious initiative designed to identify and nurture top talent from graduate programs across India. This year, the program received a total of 114 applications. After a rigorous selection process, three exceptional individuals were chosen: Aum Patnaik, Deepti Sharma, and Raunak Jain.

Career Counselling and Corporate Readiness Activities:

1. Corporate Readiness Workshop

The Placement Cell at Symbiosis College of Arts and Commerce is committed to preparing its students for successful careers in the corporate world. To achieve this goal, it conducted a comprehensive three-day 'Corporate Readiness Workshop' from 13th to 15th July 2023, prior to the commencement of the placement season. The workshop's objective was to help students in their preparation for the upcoming Placement Season selection rounds and enable them to secure the employment opportunities they seek.

Distinguished industry experts, with years of experience in the corporate world were invited to enlighten students on key areas such as resume writing, group discussions, aptitude tests, and personal interviews. The guest speakers included Ms. Devaki Purohit, Ms. Neha Pant Tewari, Ms. Gunjan Deshpande and Mr. Akshat Bhatnagar, who shared their valuable insights and guided our students on how to excel in the placement process. This workshop was a valuable learning experience for the students.

2. Pre-Placement Workshop

In line with its continued efforts to enhance student placements, the SCAC Placement Cell organized a two-day 'Pre-Placement Workshop' from the 22nd to 23rd of July 2023. The workshop aimed to equip students with the essential skills and strategies to excel in Aptitude Tests during the crucial placement season. The guest speakers included Mr. Bhushan Bhegade, Dr. Manasi Desai, and Ms. Monica Yadav, who trained the students in essential topics like Quantitative Aptitude and Analytical and Logical Reasoning. The workshop witnessed enthusiastic student participation and turned out to be a huge success.

3. Cracking Deloitte Selection Rounds

The process of campus placements can often leave students feeling overwhelmed and uncertain about how to proceed. To address this issue, the SCAC Placement Cell organized a session on 'Cracking Deloitte Selection Rounds' on the 22nd of July 2023,

students' doubts regarding the placement process. The session was conducted by Ms. Ridhi Chourasia, a former Placement Cell Co-ordinator at SCAC, who provided insights and answered questions based on her own experience. This initiative proved to be a beneficial forum for the students to seek guidance and overcome any apprehensions they may have had.

4. Mock Aptitude Test Series

To further aid the students in their preparation for the Aptitude Tests for various companies, the Placement Cell formulated and released a Mock Aptitude Test Series. With 4 individual tests on Verbal Ability, Quantitative Aptitude, Data Interpretation, and Logical Reasoning, and a comprehensive mock test combining all domains, the tests were made available to students through official WhatsApp Communities and LinkedIn. Each test provided students their score, along with answers and explanations to the questions included. The Placement Cell also provided students with a list of other online resources to help them prepare to the best of their abilities.

5. Corporate Culture and Ethics Workshop -

In addition to these, the SCAC Placement Cell also successfully organized a three-day workshop on “Corporate Culture and Ethics” from 20th to 23rd March 2023, for all the placed students of the graduating batch of 2024. The purpose of the workshop was to introduce students to the modern corporate culture and help them develop the skills and attitudes necessary to function effectively in professional settings. The guest speaker for Day 1 was Mr. Rohit Lalwani, who talked about the importance of organizational culture, how it differs from one company to another, how to communicate within a corporate structure, and effectively handle work volume in a corporate environment.

On Day 2, Dr. Shirish Limaye sir conducted sessions on Corporate Ethics, detailing the Do's and Don'ts of the corporate world, and teaching students the importance of teamwork, cooperation, and effective communication. Day 3 of the workshop witnessed sessions on Corporate Grooming, conducted by Mr. Akshat Bhatnagar and Ms. Gunjan Deshpande, where the speakers emphasized the importance of confidence and effective body language in professional settings, stressing their crucial role in conveying competence and respect.

Overall, the workshop witnessed massive student participation and was an enormous success.

6. Orientation Sessions for First and Second Year UG and First Year PG Students:

Moreover, various Orientation sessions were also conducted by the Placement Cell Coordinators Grace Maria Giby, Jasmine Kaur, Muskan Kanodia, Sagnik Karmakar, and Shouray Modi, to help the FY, SY, and PG students gain a thorough understanding of the Placement Cell and its activities, the various companies that come for placements, and how the students can crack various selection rounds. These sessions acted as a curtain-raiser for the Placement Cell, solving all student queries related to the placement process.

7. Sessions on LinkedIn

The Placement Cell coordinators Shouray Modi, Sagnik Karmakar, and Jasmine Kaur conducted 3 sessions on 23rd and 29th February 2024 for FY and SY students, detailing how to use LinkedIn. In these carefully designed sessions, the coordinators helped students understand how to make professional and impactful LinkedIn profiles, how to include relevant experience as college students, how to utilise the platform for networking and building fruitful connections, and more. Benefitting nearly 200 students, these sessions stand as a testament to the Placement Cell's dedication to enhancing student capabilities and employability.

8. Certificate Course in Audit

The SCAC Placement Cell took an initiative to enhance the skill sets of the students placed in esteemed organizations such as Deloitte USI, EY India, KPMG India, Deloitte India, Deutsche Bank, amongst others, by organizing an 'Online Certificate Course in Audit'. The course, spanning over a duration of 30 hours, has been meticulously designed, and conducted by expert trainer, CA Darshan Shah, and was delivered through MS Teams. The course aimed to provide comprehensive knowledge about the intricacies of audit processes, thereby aiding the students to stay abreast with the latest industry trends and practices. 130 students registered for the said course.

9. Certificate Course in MS Excel

Furthering the Cell's relentless endeavours towards easing the campus to corporate transition for students, an Online Certificate Course in MS Excel was organised. Conducted by expert trainer Mr. Kedar Phadke over 15 hours, this course aimed to equip students with skills in data management, lookup functions, and error-handling techniques. Further, the course also helps students get a grasp of real-world applications through financial functions, Pivot Tables and Charts for comprehensive data visualisation, and Macros and VBA programming for exploring automation possibilities.

To date, a total of **19** companies have approached us, out of which **5** were new companies including NSEG, India First Life Insurance, ACA Global, Promobi Technologies, Asian Paints, and more, among others. The following are the placement statistics (till 30th June, 2024):
