

Procedure for applying for NOC for Internship under NEP-2020

1. Students applying for internships at various organizations and requiring a No Objection Certificate (NOC) from the college must fill out the NOC form available on the SCAC college website.
2. Subsequently, students should print two copies of the filled NOC certificate in color and obtain signatures from their respective Internal mentors.
3. The signed NOC certificates must then be sealed and stamped by the Student Facilitation Center (1st floor of college building).
4. One copy is to be submitted to the company or organization where the internship is sought, while the second copy should be retained by the student and must be attached to the internship logbook during final submission.
