An Autonomous College | Under Savitribai Phule Pune University
Reaccredited 'A+' with 3.51 CGPA For Third Cycle By NAAC | College with Potential for Excellence

7.3.1 Performance of the Institution in an area distinct to its priority and thrust

Institutional Distinctiveness:

Quality Education and Operational excellence.

Following are the pillars that support quality education:

- Access to quality teachers – Our teachers are highly qualified academicians; 34 full-time teachers out of whom 21 are PhD degree holders. At the institution, we offer 320 courses with an emphasis on conventional as well as contemporary curriculum, innovative specializations, 28 value added courses (19 Liberal Arts courses and 8 skill development courses) which cater to industry readiness and enhance employability.
- Use of quality learning tools and professional development: There are 28 classrooms equipped with advanced technical devices such as smart boards, LCD projectors, PA system, wi-fi equipped classrooms that enhance the overall learning experience. We also possess a language lab, computer lab with access to research software such as SPSS. During the pandemic seamless transition to online teaching was facilitated through use of Microsoft Teams. The internal evaluation and semester end exams were conducted online through use of Google Classrooms.

Evidences of the operational excellence:

- Heavy demand for admission by students; we received nearly 6000 applications from across India. Our students' composition reflects multicultural ethos which helps broaden their perspectives and world view.
- The college follows participative management technique, democratic way of working which is reflected in the decision-making procedure of the college. The college has various statutory and non

statutory committees which cater to curricular, co-curricular, extracurricular, extension activities and the governance of the college. There are 5 statutory committees namely Governing Body, Academic Council, Board of Studies, Finance committee and IQAC. There are 42 non-statutory committees (13 curricular committees, 29 co-curricular and extra-curricular associations/clubs) and 6 statutory cells that work perpetually throughout the year for a smooth working of all the operations needed to enhance the student's overall development and college's expansive dexterity. The college autonomous status necessitates thorough scrutiny of administrative and curricular work which is undertaken by the Governing Body, College Development Committee, Academic Council and Board of Studies. Meetings are regularly conducted for the same.

- Alumni: The students upon completion of their education at Symbiosis experience an overall growth in personality and they become contributors to society in a variety of ways.
