

Symbiosis College of Arts and Commerce

Placement Cell Report 2020-21

Symbiosis College of Arts & Commerce (SCAC), well known for its placements, conducts a good number of on-campus drives for both undergraduate, and postgraduate students. The placement season begins as early as August. Headed by Dr. Yogini Chiplunkar, assisted by Hrithik, Shayantani and Ayushi, the placement cell guides, trains, and supports the students throughout the year for these drives. Despite the Covid pandemic, till 15th June 2021, the placement cell has successfully placed a total of 64 students. Currently, two companies recruitment is in process and soon we will receive final updates from them giving us the details of students recruited from SCAC. Hrithik, Shayantani and Ayushi, the placement cell student coordinators, have played key roles in the process of conducting the virtual placement drives. They worked behind the scenes and were responsible for informing the students about the drive, taking the registrations, all through various online platforms and ensuring a smooth flow of the drive while assisting the group of recruiters by continuously connecting them with the college.

The placement session for the academic year 2020-21 was unprecedented owing to the pandemic. Shifting from offline to an online platform of recruitment had its pros and cons for both, companies and the placement cell. It was challenging indeed but what we all have done over the past year is strive to find the best in us and grow through the challenges. As a placement cell, we owe the success of the procedure throughout the year to the cooperation of the coordinators, faculty and the students.

The companies that visited the campus were Deloitte USI, Deutsche Bank, Northern Trust, Tresvista, Credit Suisse, Ernst and Young GDS, Teach for India, EY India, ElasticRun, Xqtiv Healthcare and GOMO Group offering positions varying from audit assistant, tax analyst, assurance and financial associate, HR analyst, business compliance, business development executive, teacher fellowship, and SEO analyst.

The procedure for selection includes receiving the job description, registration of students, pre-placement talk, aptitude test, group discussions, rounds of interviews, the final selection of students and acceptance of offer letters.

Prior to the dawn of placement season, a three-day placement workshop was conducted to familiarize the students with the placement procedure. The workshop covered essential basics and gave significant tips on Resume Writing, conducted mock Group Discussions, and gave insights on how to present oneself in a Personal Interview. The guest speakers who assisted the students were Ms Devaki Purohit, Ms Gunjan Deshpande, Mr Akshat Bhatnagar and Ms Snehal Sarkar.

A session was also conducted by the coordinators to help the second-year students have a thorough understanding of the placement process and the role of the placement cell of our college. The aim was to guide them about how to prepare oneself for the placements, with the hope that some fruitful contributions were made on our part.

Till date during the academic year of 2020-21, a total of 8 companies have approached us, including 3 new companies, with ElasticRun, Xqtiv Healthcare and GOMO Group being the newest addition to the list.

The placement cell recorded a total of 64 students till date getting placed during 2020-21. The highest CTC offered to PG students was Rs 6,05,000 LPA and to UG students was Rs 5.5 LPA. During 2019-20 the highest number of students were placed, this year due to the pandemic there was a drop in the same. Although, while the average package of 2019-20 was Rs 4,16,557 pa for UG students, the same this year was increased to Rs 4,18,000 pa.

The students placed in the year 2019-20 are listed below:
