

Placement Cell Report : 2021-22

The Placement Cell of Symbiosis College of Arts and Commerce is a professional body incorporated for facilitating the recruitment of the country's best minds by multinational companies. The Placement Cell has proven to be the initial and final point for all placements as a congruent forum where a company's search for jobs meets the ultimate aim of a student's job. The cell works tirelessly to match the repute and eminence that the college is renowned for. Spearheaded by Dr. Nilesh Waghmare, assisted by student coordinators Shiv Mishra, Shubham Goel, Ridhi Chourasia, and Rishika Khemka, the Placement Cell guides, trains, and supports the students round the year for these drives.
