

Symbiosis College of Arts and Commerce
An Autonomous college under Savitribai Phule Pune University

B. Com integrated with CIMA

(B.com with specialization in Management Accounting)

An integrated program with Chartered Institute of Management Accountants (CIMA), UK

We are happy to announce the introduction of a new specialisation in Management Accounting- B. Com integrated with the CIMA

This specialisation is offered to second year students, who want to pursue a global professional qualification along with their graduation.

All the **9 subjects** of CIMA will be part of the B. Com syllabus, and covered in **4 semesters**.

The students will have to give the exam for each subject conducted by the college, for the B. Com degree. Simultaneously the student will also give the case study exam conducted by CIMA.

Benefits for the students:

- Students get the benefit of training by professional qualified faculty.
- Students get an opportunity to avail the discounts for registration, subscription for two years along with discounted exam fees.
- Access to learning platform – study material
- Opportunity to be a globally qualified professional
- The student will not be required to get any further credits. The credits for this integrated program will be 132.
- Training in Excel.

For further details check the website for B. Com Integrated with CIMA under the programs tab.

This qualification is not offered for the integrated ACCA program and B. Com inter-disciplinary students.
