

Internship under NEP-2020

UG and PG Programme

Introduction

The increasingly competitive global landscape as well as the impetus provided by the National Education Policy 2020 has driven academic institutions to provide opportunities to students to avail of industry aligned/domain work-oriented education.

Therefore, the Symbiosis College of Arts & Commerce wishes to offer Internships to its students for giving them the chance to immerse themselves in experiential learning through active involvement in the operations and projects of an external organization distinct from their educational institution.

Eligibility

According to the National Education Policy (NEP) 2020, undergraduate students are required to complete a mandatory internship lasting 60 to 120 hours after their fourth semester. This internship which accounts for 2 to 4 credits out of the total 120/160 credits in a 3- or 4-year degree program is designed to provide experiential learning.

For postgraduate students, it is mandatory to take internship for 120 hours during the second semester and complete the same before the third semester begins

The student has the following options

Credit Framework for internship

1 credit = 30 hours of internship

Degree	Period	Duration
B.Com/B.A.	SY after 4 th Sem ends And TY before 6 th Sem begins	20 hours per week for 6 weeks during vacation OR 4 hours per week for 15 weeks during the semester OR a combination totaling 120 hours
M.Com/M.A.	After Sem I of Part1 and before Sem III of Part 2	20 hours per week for 6 weeks during vacation OR 4 hours per week for 15 weeks during the semester OR a combination totaling 120 hours

The Internship is not permitted during lecture hours as per the timetables.
